Dear Applicant

RE: grassroots grant application pack

Please find enclosed an application pack for the Grassroots Grant.

Ali Ahmed and I would be happy to discuss your application in order that you make the most of the funds available – especially as you can only receive a maximum of £5000 over the lifetime of the programme, 2008/2011.

Once you have completed your application then you may also ask either of us to check it over before you submit it.

You can call us to make an appointment or to discuss your application over the phone – 0208 519 9500.

Once we have received your completed form together with all the required attachments, it will go to the next available panel. These will be held once a quarter, so please think about the timing of your project and refer to the attached panel and submission dates.

We will also be delivering a number of outreach sessions – details of which will be published on our news-letter.

Good Luck with your application.

Yours faithfully

Sarah Ruiz
Director
