

Human trafficking starts in communities
and can be stopped by communities.

STOP THE TRAFFIK

Newham Community Roadshow

Get together with others in your community
and help us create places where it's harder
for traffickers to hide themselves and their
victims ahead of the 2012 Olympic Games.

"Let's makes sure that London 2012 is not only the best
ever Olympic Games but an Olympic Games that is free
of human trafficking."

Boris Johnson, Mayor of London
